### WELCOME

St. Stanislaus is reaching out in service to our diverse neighborhood peoples. Please be generous in your support of the many good works of our Parish. St. Stanislaus depends upon the regular support of its membership and the generosity of those who visit here. Please look upon your financial gift or sacrifice as a way of giving praise to God along with the many from earlier generations who have worshiped and prayed here for 129 years.

## NINE

*“Girls!Girls!Girls!”...XXX...tylko dla doros³ych(adults only)* – We all know what these words are meant to do, they are meant to make the viewer, male or female, WANT. DESIRE. COVET. With regards to this commandment, Catholic catechetical tradition connects those words to carnal concupiscence. If you don’t understand what those words mean, your parents, or those entrusted with your care, will fill you in at the appropriate time. Is it a matter of seeing the human being next to you as a means to an end, an object meant to provide personal pleasure, a thing? We are certainly bombarded with that message nearly everywhere: advertising, movies, television, pornography, radio shock jocks.

### You shall not covet your neighbor’s wife.

In the eyes of the world, the human being is a commodity. To the baptized, the human being is a temple of the Holy Spirit. To the baptized, the idea of viewing another human being as a means for pleasure could not be further from the Truth. The idea of actually lusting after another person who has already been committed in the Sacrament of Marriage is even worse. Once again we are confronted with the problem of the disrespect for life, the same disrespect that will lead to killing, murder, genocide, suicide – the culture of death.

The pure of heart, those in communion with the Creator, these are the people who celebrate life, who honor the sacredness in all of creation. The pure of heart are free – they already see God.

### BE PRAISED, MY LORD, THROUGH SISTER DEATH

This week on October 4th, Franciscans around the world celebrate the Feast Day of Saint Francis of Assisi. This is like a small Christmas for us! Just like many other kinds of family celebrations, the Franciscan family has traditions and rituals that mark this as a special time. This week we are happy to continue sharing our Franciscan spirit with the people at Saint Stanislaus.

The date for the Feast Day of St. Francis is not his birthday, but rather the date when he died — actually a kind of birthday, when one thinks of it as Francis' birth into eternal life. To celebrate death seems strange in our culture, but from the Christian perspective it is the most important and definitive moment of one's existence. Francis knew this so well that he even referred to death as his Sister, whom he welcomed! For Francis, all of creation, even the most unlikely parts of it, revealed the greatness of God's love for us. There is nothing to fear when God is behind everything.

That is why one of the most popular devotions this week is the annual blessing of animals. Imagine dozens of pets (along with their owners, of course!) gathered in front of the church, praising God with their barking, meowing, and tweeting! Some-

**To celebrate death seems strange to us. But St. Francis welcomed his death, calling it his "Dear Sister," leading him to Jesus whom he loved so deeply.**

how, they all seem to calm down when it's time for the prayer. And the sprinkling with holy water sure takes some of them by surprise. (One owner asked if his dog gets parish envelopes now that he'd been sprinkled!) Usually we have the blessing of animals on the afternoon of the 4th, but this year we will have the blessing on Thursday, October 3rd at 2:00 PM, so that the school children can attend. (They have Friday off.) Everyone is invited to bring their pets of any kind and give thanks to God for the joy brought into their lives through God's creatures.

Another very special ritual is celebrated on the evening of the 3rd, called the Transitus of St. Francis. This is a prayerful recollection of the passing of St. Francis from this earthly life into the life with God in paradise. It is a moving and prayerful service that is only celebrated in Franciscan places, and only on that evening. When we tell the story of Francis' last moments with the friars whom he loved, we also rededicate ourselves to follow his example of being a humble servant of God and imitator of Jesus. The Transitus is celebrated Thursday evening, October 3, at 7:00 PM in the church. Please make a point of coming to share in this extraordinarily special and powerful service.

The actual Feast Day is Friday, October 4. This year, our annual Polish Festival also begins on the Feast Day, so what a big day it will be! A special Mass will be celebrated at 7:00 Friday evening. Be sure to squeeze in a bit of church either before or after feasting on all the home made Polish food at the festival!

Fr. Michael

### SŁOWO i CZYN

Słowo bywa różne: wyraża, przekazuje i budzi - myśli, uczucia, przekonania, dążenia. Poprzez słowo uczony wyraża odkrytą prawdę, wynik swych dociekań i przemyśleń; poeta potrafi czarować jego pięknem, a myśliciel - głębią. Słowo raduje i smuci, podnosi na duchu i zniechęca, buduje lub niszczy.

W słowie wyraża się nie tylko kultura języka lecz i kultura ducha, jego piękno lub brzydota - jego styl moralny. Są jeszcze ludzie, którzy nie splamią swych ust przekleństwem czy obelgą. Jest to dziś bardzo cenna rzecz wobec zjawiska barbarzyńskiego nadużywania słowa. Słowo spokojne i łagodne, słowo proste i szczere to, dziś, oliwa na gniewny i nerwowo rozstrojony świat umysłów i serc.

Słowo jednak coraz częściej bywa nadużywane i za - miast wyrażać prawdę służy do jej zamglenia w wielozna - czności lub wyraźnie zamierzonym fałszu. A gdy to się upowszechnia ginie jego sens i wartość. Gdy człowiek przestaje wierzyć słowu życie staje się cięższe i bardziej smutne. Klęską słowa jest klęską człowieka i to w bardzo czułym punkcie jego relacji międzyludzkich, u samych podstaw społecznego współzycia.

Dziwna, na pozór, wydaje się wymowa ewangelicznej przypowieści. Jezus, jakby zaprzeczał wartości słowa. To tylko pozór. Gdyż dwie ważne prawdy wypływają z treści tej przypowieści. Po pierwsze, że nawet słowo niewłaściwe można zmienić, naprawić - to zawsze wielka szansa człowieka, zarówno w relacjach z Bogiem jak i międzyludzkich. Ale druga prawda jest istotniejsza: mimo wszystko, zawsze o wiele bardziej niż słowo liczy się czyn. To jedna z podstawowych prawd naszej wiary: przed Bogiem będziemy zdawać relację z naszych czynów, nie z naszych słów. Przypowieść ta niesie również wielką nadzieję człowiekowi: mimo mówienia Bogu "nie", dopóki jest w ziemskiej pielgrzymce - może zmienić swoją decyzję i "pójść do pracy w winnicy". Ojciec niebieski nigdy nie zapisze żadnego z nas na stratę. Ciągłe czeka na powrót, na zmianę decyzji, choćby trzeba było zawracać z najdalej drogi.

Chrystus jednak, dzisiejszą przypowieść kieruje, przede wszystkim, do tych z nas, którzy celują w pozorach religijno-moralnych, którzy poprzestają na pięknych słowach, na uczuciowych wzlotach nie mających pokrycia w czynie, w działaniu. Jezus ostrzega: "Celnicy i nierządnicę uprzedzą takich w drodze do królestwa niebieskiego".

Słowo ma ważną rolę do spełnienia w komunikacji międzyludzkiej, we właściwych relacjach; potrafi budować piękno - to dobrze, a może nawet bardzo dobrze, ale w perspektywie zbawienia same, choćby najpiękniejsze słowa, nie wystarczą. W naszej pielgrzymce wiary słowo ma swoją wartość tylko w kontekście czynu.

Człowiek jednak zawsze jest wolny w swoich decyzjach, może Bogu przytaknąć lub zaprzeczyć, ale w praktyce liczy się jego działanie, jego czyn.

Warto wziąć sobie do serca słowa naszego poety  
Cypriana Kamila Norwida:

*Czynem bądźmy pierw, niżli grzotem.  
Górką czyny! A słowa ?(...) Potem!*

Mamy nadzieję, że nasi parafianie zaopatrzyli się już w bilety na loterie losowana w czasie Festiwalu. Jeżeli ktoś jeszcze tego nie uczynił, może kupić bilet na plebani. Potrzebujemy jak najwięcej wolontariuszy do pomocy przy Festiwalu. **Liczymy bardzo na wspaniałe umiejętności naszych pań przy wypieku ciast i różnych słodkości.** Pomyślny o fantach, które możemy jeszcze przygotować na losowanie w czasie loterii, także o różnych robótkach ręcznych. Każda inicjatywa, każde rece, każdy dobry pomysł może być cennym wkładem w dobrą organizację Festiwalu. Wszystkim nam zależy na jak najlepszych jego owocach. Również w tym miejscu bardzo serdecznie dziękujemy za już okazaną wszelką pomoc. Sukces może być tylko we wspólnym działaniu.
