**POPRAWINY**

Does anyone here remember what a *poprawiny* is? For those of you who are not Polish or are too young to remember the days before banquets ‘by the plate’ a *poprawiny* was a big party the day following the even bigger party celebrating a couple’s wedding! The food was often composed of leftovers (plus more fresh things just in case) and the bar just picked up where it left off the night before. Everyone had a great time at this event as they had fun talking about the previous days festivities as well as everything else that happened over the past year and beyond.

Today’s parish picnic reminds me of a *poprawiny*. After the festivities of the past year beginning with the festival in October through Advent and Christmas, quickly followed by Lent and Easter, then, finally, Corpus Christi, now it seems like we can sit back, relax a little, reminisce, have fun and look back on what was another wonderful year of events here at the Shrine Church of St. Stanislaus.

Along with food and drink, music and fun, we have all of the people who contributed to make this a great place. We have people who shared their time and talents to help decorate and undecorate for all the great feasts. We have people who fold programs and distribute them to guests with a welcoming smile. We have people who procure sound equipment and those who help move it around during processions. We have people who change candles, who water plants, who iron linens, who sew sacred items, who dust altars, who sweep and wash floors, who vacuum, who sweep up debris outside, who open the church, who close the church, who keep an eye on the church, who advertise the church. Some people can manage festivals and fundraisers, bake sales or breakfasts. Some people preside over clubs and others make the clubs great by their active membership. We have people who support the church with their weekly offerings and people who go beyond the norm when they sense a need. We have people who bake and cook, who wash dishes and set tables. We have people who share ideas and dreams, people who help create future projects with their resources, their creativity and their faith. Some people are unable to help in many of these ways because of age or infirmity, but they continue to help with their prayers and kind words. We have ministers of the Eucharist, choirs, cantors, servers, sacristans, lectors, ushers, greeters and tour guides. We have lots of people and it takes all of these wonderful people to make this church what it is.

Today as we all enjoy the picnic, we can all be proud of the numerous contributions which so many of our parishioners regularly make for no reason other than to give glory to God. That’s what makes it all so wonderful, that’s what makes it all so worthwhile. We do all these things for God, not for ourselves. Every little action contributes to the fantastic mosaic which is this community. At today’s picnic we can look around and see the mosaic sharing in fellowship. God will look at the mosaic and smile — seeing His many creations playing and relaxing and enjoying themselves at the end of a busy year at the parish *poprawiny*. And God will say ‘It is good.’

### “The Hammer”

To whom does this seemingly dubious title refer? To a very pious, holy and lovable follower of Christ and Saint Francis of Assisi. Of course, you know who it is ... Saint Anthony of Padua. He was given the honorable title of “Hammer of Heretics” by his persistent and courageous preaching to those who distorted or denied the

teachings of the Catholic Church.

Every Tuesday — here at St. Stanislaus — we pray our devotion to St. Anthony. The fame of his miracles has never diminished, and even now he is considered as one of the greatest miracle workers of all time.

According to the author, Jacqueline Harmon Butler, St. Anthony is especially invoked for the recovery of things lost. Also, against starvation, barrenness; patron of amputees, animals, boatmen, Brazil, domestic animals, the elderly, expectant mothers, faith in the Blessed Sacrament, fishermen, harvests, horses, Lisbon, mail, mariners, oppressed people, Padua, paupers, Portugal, sailors, sterility, swineherds, Tigua Indians, travel hosts and hostesses and travelers.

I know most people pray for the recovery of things lost; but how many times do we pray for the recovery of faith by those who have gone astray ... leaving the Church, abandoning a spouse and children, neglecting the elderly, sick and homebound? Many of us use GPS (Global Positioning System) in our vehicles as an aid to help us reach our destination. Perhaps, St. Anthony can be our GPS (Guiding Patron Saint) and help us on our journey to our final destination in heaven.

This wonderful saint is also known as “the matchmaker” bringing together two persons who eventually establish a lasting relationship in marriage.

My mom told us a story about one of her close friends with whom she attended school. A few years later, my mom met a man who would become her husband and my dad. But, my mom’s friend was still searching. So, my mom gave her a statue of St. Anthony and suggested that she pray to him. So, the young lady took the suggestion to heart. She prayed and prayed—no luck! So, one day she comes back to visit my mom—upset and tears streaming down her face. My mom tried to assure her that in time her prayers would be answered.

But, the young lady was not convinced. So, in her haste, she picked up the statue and threw it out the open window overlooking the street and its sidewalk below.

As luck would have it—the statue came down and bounced off a young man’s head. A little dazed, he stopped, picked up the statue and looked up from where the statue fell. Being a kind gentleman, he knocked on the door of the place where my mom and her friend were conversing. As my mom opened the door, a young handsome man appeared into view. He returned the statue that he thought fell accidentally out the window.

Well, by now you probably figured out—as Paul Harvey used to say “the rest of the story”. My mom’s friend eventually fell in love and married this young man sent to her — compliments of St. Anthony!!

Let’s ask St. Anthony for the more important things—all the lesser ones will be added. St. Anthony, pray for us! **Fr. Len**

### Wakacje

Zaczęły się wakacje. Dla dzieci, młodzieży i przynajmniej niektórych dorosłych. Lato to ulubiony czas wyjazdów także dla tych, którzy nie są nauczycielami i nie pracują w szkole. W tym roku, po raz pierwszy od czterech lat, będę mógł wyjechać na dłuższe, bo aż 10-tygodniowe wakacje do Polski. Niektórzy nazywają to rokiem sabatowym. Mniejsza o nazwę, ważne, co za tym się kryje. W moim przypadku oznacza to wyjazd do Polski, miesięczny pobyt we Włoszech (kurs języka włoskiego w Perugii) oraz tygodniowy pobyt w Grecji, a

dokładniej na wyspie Rodos, gdzie obecnie przybywa o. Paweł Juda, franciszkanin z naszej prowincji, który spędził swoje wakacje w Cleveland cztery lata temu. Piszę o tym, aby wyjaśnić, że mój wyjazd z Cleveland nie jest ostateczny. Na początku września powrócę do św. Stanisława.

Na moje miejsce przyjedzie do Cleveland o. Franciszek Szajer, franciszkanin z naszej prowincji zakonnej. Kiedy jako kandydat do zakonu przyjechałem do Krakowa, on był pierwszym zakonnikiem, z którym rozmawiałem. Był wtedy referentem powołaniowym. Później wyjechał do Norwegii i pracował tam długie lata. Teraz zastąpi mnie w parafii św. Stanisława. 16 czerwca przyleci do Cleveland i pozostanie tu aż do 12 września. Oprócz obecności w kościele, o. Franciszek chce wykorzystać ten czas na doskonalenie języka angielskiego. Proszę o życzliwe przyjęcie go w naszej wspólnocie parafialnej. Jednocześnie chcę wyrazić pragnienie, aby ten jego pobyt wśród nas był niezapomnianym i miłym dla niego przeżyciem.

Serdecznie witamy u św. Stanisława!

*o. Placyd*

## PARISH GARDEN CLUB & WEBSITE WORKING GROUP **COOKOUT!**

Recently there were meeting for the beginnings of two new parish organizations — a Parish Garden Club, and a Website Working Group. Some parishioners were unable to make it, so we are scheduling another meeting that will start out light and fun. A cookout in the rectory garden! If you are interested in helping with either of these groups, or just funding out about them, please come this Thursday, June 17, at 6:00 PM. Just bring an appetite! RSVP at the rectory office, 341-9091.

### “Year for Priests” Thought for the Month (June)

Pope Benedict XVI has proclaimed June 19, 2009 to June 19, 2010 as the “Year for Priests.” With this in mind, the Pastoral Council offers a final “Thought for the Month” (based on the pamphlet “Five Ways to Support My Parish Priest,” published by Our Sunday Visitor and also accessible online).

All of us need encouragement from time to time. Consider some ways of recognizing and affirming all our priests do in service to us and the parish. (The upcoming parish picnic is a perfect opportunity!) Tell them when you like something they did or the way they handled a particular situation. Compliment them on thought-provoking homilies. Write a supportive note or email, or leave a positive message on voice mail. Remember birthdays and anniversaries of ordination. Ask if there are things you can do to make their lives a bit easier. (Sometimes those “small” things are most greatly appreciated.)

Finally, as this Year for Priests draws to a close, remember that Jesus makes himself present to us in a special way through his priests, so that whatever you do for them, you also do for the Lord. We hope these thoughts during the last few months have been helpful and have given you some ideas for making every year a “Year for Priests.”

### INFANTS/TODDLERS OF SLAVIC VILLAGE

The month of June—honor thy father! Remember the words of Jesus: “*Whatever you do to the least of my children, that you do unto Me.*” Honor Jesus, His Father and holy Spirit by donating needed items to the Infants and Toddlers of Slavic village. Your donations will qualify you for a chance to win a \$20 gift card to “Mertie’s Strudel Shoppe,” for your choice of fresh or frozen strudel! Last month Fran Conductor’s donation won her a gift card to “Dana Lauren Salon” - we thank her for her kind and generous donation! If you cannot bring any items to the vestibule to contribute please know that all monetary donations go toward the purchasing of the items needed by the children.

### FLAG DAY

Monday, June 14th is ‘FLAG DAY!’ It’s also a good time to remember those from our parish who are currently placing their lives on the line in order that we might freely fly our flags and enjoy the freedom they represent. Here are the names of those currently in active service:

Sgt. First Class Frances M. Conductor, in the US Army since March of 1985. Sgt. Conductor has served in Germany, Desert Shield and Desert Storm and is currently in Iraq.

Pvt. Chris Bartram is also serving in the Army. He had served one year in South Korea and will be deployed to Afghanistan later this summer for an 18 month tour of duty.

Sgt. David Sklodowski is currently stationed in New Jersey and his brother Second Lt. Thomas Sklodowski is stationed at Ft. Knox Kentucky.

Jim Evans will deploy to Afghanistan in the Air Force at the end of June.

If we have omitted anyone in this column, please let us know so that all those serving our country can be listed here and kept in our prayers.

Here they are, the St. Stanislaus Elementary School graduating class of 2010! 45 students left the 8th grade for high school, and 38 will attend a catholic high school next year. We wish them the best as they enter the next phase of their lives at high school.

Summer recess has begun and soon work will begin in earnest on the school building in preparation for another great year of service. Roof repair is set to begin this Monday, followed by a restoration of the Fourth Floor.

Silent Carnival Winner Week Five:

Thomas Obojski

**Congratulations!**

**Attention!!! UWAGA!!!!**

Monday, June 14, 2010, weather permitting, the church parking lot will be closed due to church roof repair work.

**ST. STANS HISTORICAL FACT** *by Rob Jagelewski.* In this season of school graduations here are some reminisces of the St. Stan's High School Class of 1961 from a book that they produce to track the class reunions they have had since they graduated. The girls had to have their prom gowns approved by Sister Principal before they were worn to make sure that the gowns were "modest." Homecoming memories included decorating cars, making posters, gathering at houses to assemble floats, the game at Cuyahoga Heights Field, the parties, and the dance. During a class trip to Washington D.C. one student ran up to then Vice President Richard Nixon and shook his hand. A certain group of biology students cut open a cow's heart after school which left an odor that lingered for several days. Reasons for getting a detention included going to Mass without a prayer book, carrying unwrapped books, losing a detention slip, talking during morning announcements, talking during detention, sponging into the cafeteria line, and leaving or entering the school building without at least two books. How things have changed.

The Corpus Christi celebration and procession was attended by many people this year, both parishioners and guests. The photo above shows parish seminarian Rob Ramser who brought along three other seminarians to help with the event. Special thanks goes out to all who contributed to making this a solemn and festive event.

**NEWEST FARMERS' MARKET EVERY MONDAY**  
**"THE FARM IN THE VILLAGE!"**

Enjoy live music while purchasing farm-fresh fruits and vegetables, baked goods, and cheeses at the inaugural Warszawa Farmers' Market. The Market is located at Dan Kane Park (the northwest corner of Kenyon and E. 65<sup>th</sup>) and will run from 6:00 p.m. - 8:30 p.m. Mondays through mid-October beginning June 7th. **Slavic Village Needs Your Help!**

Slavic Village Development has applied for a **\$250,000** grant to create a new park and playground. The funds come out of the Pepsi Refresh Project, a new initiative to support ideas that will have a positive impact on the world. The grant request is a little different than most: grant awards are based solely on votes. That's where you come in!

We need **YOU** to vote **every day** in the month of June at [RefreshEverything.com](http://RefreshEverything.com). The project is titled "Build a Community Park and Playground in Cleveland Ohio" and is in the \$250K category. The new park will transform an empty lot into a greenspace and playground for the children and residents of the community.

Visit [www.SlavicVillage.org/Pepsi](http://www.SlavicVillage.org/Pepsi) for a direct link to vote and to sign-up for weekly reminders.

**Annual Parish Picnic – THIS Sunday!**

It's here! The annual parish picnic will be held in the rectory garden this **Sunday, June 13, from 11:00 AM until 2:00 PM.** The friars are generously providing hot dogs, hamburgers, Polish sausage, and beverages. Parishioners who attend are asked to bring a salad, side dish or dessert to share. There will be coloring and games for the kids, plenty of food, and lots of time for fellowship.

This year's picnic falls very close to the conclusion of the "Year for Priests" (June 19). You are invited to write an appreciative note to any or all of the priests as a way of affirming everything they do in service to our parish. The notes will be collected at the picnic. Hope to see you there!
