### WELCOME

St. Stanislaus is reaching out in service to our diverse neighborhood peoples. Please be generous in your support of the many good works of our Parish. St. Stanislaus depends upon the regular support of its membership and the generosity of those who visit here. Please look upon your financial gift or sacrifice as a way of giving praise to God along with the many from earlier generations who have worshiped and prayed here for 130 years.

### *We Should Glory – The Recording*

It's finally complete and ready to go on sale – the recording of the *Concert of Remembrance and Thanksgiving* from last January 19<sup>th</sup> along with additional songs recorded at a separate session by the St. Stanislaus English and Polish Choirs. The recording (both CD and cassette) will go on sale at our Festival along with many other new items which just might be the answers to those searching for Christmas stocking stuffers.

The cover, created by Don Pieniak, captures the essence of the project: The Cross created from the Fr. William Christmas tree is set against the sky with one tower of St. Stanislaus anchoring the opposite field of the photograph. The title “*We Should Glory*” is taken from the song which Fr. William loved, a song whose words transmit the crux of our faith.

The recording is divided into two obvious segments, the concert and the recording session. The concert segment, recorded live, contains various musical highlights by the two boy choirs and guest soloists. Many of you will remember the mystical rendition of *Pie Jesu* from the Faure *Requiem* as performed by the soloist from the Ohio Boychoir. Another beautiful selection was the *Meditation from ThaVs* with Wanda Sobieska as violinist. Other selections were chosen as to their contribution to the overall theme of the recording: songs of salvation, life and resurrection.

The second part of the recording consists of a selection of English and Polish hymns dealing with the same subject. Both choirs worked very hard to create this wonderful segment which will speak to everyone, especially those immediately dealing with questions of life and death. It would be impossible to include all of everyone's favorites as the program had time constrictions of eighty minutes worth of music.

All proceeds from the sale of this recording will be directed to “The Fr. William Gulas Scholarship Fund” at St. Stanislaus Elementary School.

I hope everyone who listens to our recording finds some inspiration. I hope everyone who listens (and prays along as they listen) finds the burden of their own crosses lightened with the help of Jesus.

### TIME TO CELEBRATE!

Hard to believe, but the annual Polish Festival is upon us! The hard work of many dozens of volunteers — parishioners, friends, young and old — will yield a great harvest of good will and cheer when thousands of guests arrive to share our hospitality. Just as a visit to Grandma's house starts with a visit to the kitchen, so will our guests

be treated to the wonderful sensations of our own Polish kitchen, whose crew has already been hard at work pinching thousands of *pierogi*, rolling hundreds of *go<sup>3</sup>bki* and *zrazy*, cutting *kapusta* for the *kielbasa*, and draining pails of duck blood for the famous home-made *czarnina*. This week, ovens throughout all of Slavic Village will be on permanent stand-by as our famous home-made bakery delights the sweet-tooth!

Plenty of home-made prizes and authentic crafts will be available, as well as some brand new Saint Stanislaus items. Playing some simple games, dancing til our feet are sore, and belling up to the bar for a cold beer and some of Fr. Jerzy's

**Everything about this festival comes from deep within our own hearts.**

famous *citronówka* are all part of the fun! Thousands of people will stream through our beautiful church, the pride of all of northern Ohio, to enjoy some music, find a measure of inner peace, or seek an encounter with the Lord in worship and in private devotion. The legacy of Saint Francis of Assisi will inspire us again,

renewing us all in the spirit of joy, peace, holiness and the welcoming embrace of all who seek God. Finally, some lucky ones will go home with a few more pennies in their pockets as winners in the annual raffle.

No wonder we're all so tired on Monday!

With all these wonderful things going on, it's hard to single out the best and most important part. But if there is indeed anything that stands out the most, it is the fact that this festival truly is our entire community at its very best. People from every segment of our diverse parish community work tirelessly for the common good of the whole parish. Young people exhaust themselves in service right alongside the octogenarians. Polish-speaking and Spanish-speaking parishioners negotiate their way with those who speak only English, talking with their hands and feet as much as with their voices. Suburbanites and folks from the 'hood, lifelong parishioners and newcomers — white, black, yellow and brown — all work side by side in this great expression of pride in our parish community. Everything about it comes from deep within our own hearts, and it is meant as a welcome to everyone who walks through our doors.

This year, more than any other festival year, the people of this parish need to do this not only for others but also for ourselves. It has been a hard, hard year. In many ways, our community is growing and flourishing. Yet we still bear the marks of our sadness. When our guests come from miles around, we will show them not only a good time. We will also show them what it means to be a people of hope, a people who grow in spite of the obstacles, a people who are resilient in the face of adversity — people who are happy in the Lord.

*Fr. Michael*

### GORSZĄCY I GORSZENI

Ludzie zawsze się gorszyli i zawsze też byli na świecie gorszyciele. "Biada światu z powodu zgorszeń" - czytamy w Ewangelii św. Mateusza. W dzisiejszych czytaniach widzimy, że zgorszył się Jozue słysząc prorokujących mężów Eldada i Medada. Gorszyli się apostołowie na czele z Janem, że ktoś wyrzucał złe duchy w imię Jezusa, "ponieważ nie chodził z nimi". Gorszyli się faryzeusze Chrystusem, gdy jadał z celnikami, gdy rozmawiał z jawnogrzeznicą czy gdy uzdrawiał chorych w szabat.

Dzisiaj, wygląda, jakby liczba zgorszonych jeszcze się powiększała. Dla wielu rzekomych powodem jest sam Kościół. Gorszono się i nadal gorszy przepychem kościołów, tiarą papieską, księżmi i samymi katolikami. Innym zgorszeniem dla wielu są wypowiedzi i dokumenty papieskie, jak i liczne odstępstwa duchownych czy wstrząsające Kościołem, rozdmuchiwane skandale. Nie brak cyfr, statystyk i nośnych tematów w mediach. Nawet daje się słyszeć głosy zgorszenia pośród teologów i ludzi aktywnie zaangażowanych w życie Kościoła.

Czy to coś nowego? Nie. Zawsze byli zgorszeni i gorszący, raz mniej, innym razem, bardziej widoczni. Dlaczego? Bo Kościół to materiał boski i ludzki. Boski jest zawsze niekazitelnym, lecz ludzki, skażony grzechem prarodzców, jest często grzeszny, ułomny i słaby. Taki był, jest i będzie Kościół. Jest to raną na Jego ciele, powoduje wiele bolesnych doświadczeń, utrudnia wypełnianie sakramentalnej roli zbawienia. Dopóki jednak wierzący są tego świadomi, Kościół istnieć nie przestanie. Bo zawsze ma szansę poprawy, bo jest w dynamicznym procesie wzrostu ku zbawieniu.

Zarówno postawa gorszycieli, jak i gorszących się, nie jest do naśladowania czy nawet do zaaprobowania. Ważne jest jednak by uświadamiać sobie, że w naszym życiu bywamy jednymi i drugimi, ale nie wolno nam pozostawać na zawsze na tych pozycjach. Po pierwsze należy bronić się przed przyjęciem takich postaw, a jeśli już mają one miejsce w naszym życiu, to należałoby starać się jak najszybciej poprawiać sytuację, zaczynając naprawę od samego siebie.

Chrystus, w Ewangelii, kategorycznie piętnuje gorszycieli, używając wręcz drastycznych porównań. Oczywiście, iż nie zachęca nas do rzeczywistych samookaleczeń. Ale niechybnie zwraca uwagę tym wszystkim, którzy świadomie i z premedytacją gorszą innych kpiąc sobie z wszystkich wartości i zasad, iż jeśli nie zmienią swojej postawy, to czeka ich przerażająca rzeczywistość wieczna. Wskazuje też drogę dla każdego słabego człowieka, napominając, że nie można paktować, szukać kompromisów ze złem, ze swymi słabościami; trzeba je odrzucać zdecydowanie, choćby wydawały się przyjemne i ważne, nawet tak istotne jak oko, ręka czy noga dla ciała. Lepiej bowiem stracić rękę, oko czy nogę i dalej żyć, niż pozwolić by gangrena zatruwała całe ciało. Innymi słowy lepiej zrezygnować z przyjemności, choćby bardzo ekscytującej lecz grzesznej, niż zrezygnować z miejsca w Królestwie Niebieskim na wieczność. Lepiej zrezygnować, ponieść ofiarę, pocierpieć, niż na zawsze zaprzedać się siłom zła.

Nikt z ludzi nie jest poza tą grą, która jest balansem pomiędzy dobrem a złem; wszyscy przeżywamy swoje napięcie pomiędzy tymi biegunami. Najważniejsze, aby za wszelką cenę ostatecznie wybrać Miłość.

*ks. Jerzy*

The program is especially designed for adults who have never been baptized, baptized Christians of other faiths who wish to consider Catholicism, and unconfirmed Catholics. Catholics who wish to update their understanding of Catholicism are also invited to take part in the program. Call Fr. Michael or Fr. Kim for additional information and to indicate your desire to register for the program.
